## WHOLESALE TRADE LIST

Kansas City, Missouri.

SPRING, 1888.

**T**HIS LIST is for Florists and Dealers only, who are requested to compare prices and sizes of Plants with those usually sent out by wholesale florists. All Plants sent by Express, unless otherwise ordered. Our system of packing is so complete that we can ship plants safely to all parts of the country at all seasons of the year. No charge for boxes or packing.

All Plants delivered at the Express or Freight Office in Kansas City free of charge, after which they will be at the risk of the purchasers.

TERMS—Cash with order. Make remittances by draft, registered letter or post-office money order.

Selection of varieties to be ours. Thus, if you order twelve Geraniums we will send twelve different kinds if customers choose so, or twelve plants of any variety or class; but we decline to fill a long, rambling order, one of a kind, at these low rates.

Purchasers can select Plants at the one hundred rate, but not less than three of a kind. Selections must be ours. Where plants are quoted at \$25 per 100 and upward, purchasers can select one, if that is all they want.

No order filled from Trade List for less than \$3.00.

Customers wishing Plants not in this List are referred to our Descriptive Catalogue, free to all applicants.

All goods will be shipped without Pots, unless otherwise ordered; in which case, price of Pots will be added to advertised rates.

No merchandise will be forwarded C. O. D. to parties with whom we are unacquainted, unless a deposit is made with the order.

Thanking our old customers for their liberal patronage in the past, we respectfully solicit a continuance of the same. To those who are unacquainted with our firm, we will state that we have one of the finest and most complete Greenhouses in Kansas City or the West. Our stock is large, healthy and fine, and we are satisfied that it is the best offered to the trade this season.

Promptness, liberality and square dealing guaranteed to all.

In ordering, carry over prices, so we will know which size plants to send out. All plants labeled, "True to Name."

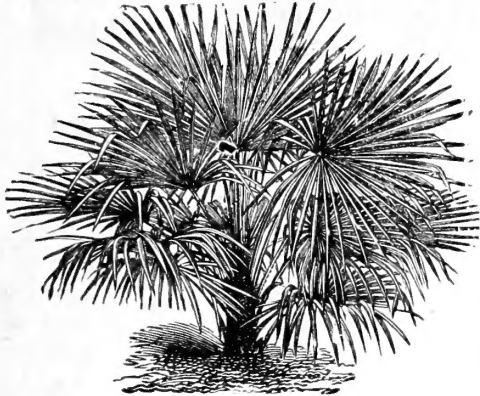

Address,

**R. S. BROWN & SON,**
